

How toolani works:

- 1 Log in to www.toolani.com and enter an international phone number into your toolani phone book.

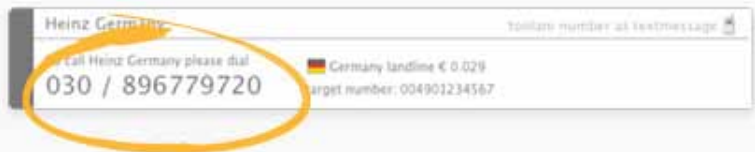

Add contact:

phone number: 0049 01234567

Name of your contact: Heinz Germany

submit

- 2 You will immediately receive a local dial-in number from toolani.

- 3 Simply dial this local dial-in number and toolani connects you with your contact abroad.

Now international calls are as simple and cheap as a local call.

If you have questions regarding toolani's services or need help please check our [Frequently Asked Questions](#) or send an e-mail to our customer support at info@toolani.com

Use the services toolani wifi and toolani buddy for calls free of charge.
